

# Dimulete Mihai-Rodel

## Personal information

I am a student at the Faculty of Cybernetics, Statistics and Economic Informatics - Economic Informatics profile at the Bucharest Academy of Economic Studies and I am looking for an opportunity to apply and develop my skills as a programmer. I have a passion for programming and I am willing to join an IT company where I can develop both professionally and socially. I like to meet new people and exchange experiences with them. I'm sure I would fit into a team without any problems.
